FOR IMMEDIATE RELEASE

Bank of Montreal Skylon Y.I.E.L.D. Notes™, Series 2 provide up to an 11% coupon on a portfolio of 10 leading Canadian issuers

TORONTO (May 24, 2005) – Skylon Advisors Inc. today announced the launch of Bank of Montreal Skylon Y.I.E.L.D. Notes™, Series 2, giving investors the potential to earn up to an 11% annual yield on a basket of 10 leading Canadian issuers.

“We are pleased to provide investors with another opportunity to benefit from this unique structure, which combines principal protection at maturity with exposure to a strong portfolio of top Canadian firms and the potential for a very attractive yield,” said David R. McBain, President and Chief Executive Officer of Skylon Advisors.

The 6.5-year note pays a 4.75% coupon at the end of 2005 (which represents the equivalent of an annual rate of interest of 11.02%) and has the potential to pay an annual variable coupon of up to 11% over the remaining six years.

The variable interest is linked to the price performance of a diversified basket of equally weighted securities of 10 Canadian issuers, including well-respected names like TD Bank, CIBC, TransCanada Corp., Thomson Corp., CI Fund Management Inc. and BCE Inc.

When there is positive price performance on the valuation date of the notes by an underlying security in the portfolio in relation to its initial purchase price, that security's return will be deemed to be 11%. If every security's price return remains positive, each annual interest payment will be 11%. Any negative or zero return as compared to the initial purchase price by any of the underlying securities on the valuation date is counted as its actual return.

Yearly payout from the notes in 2006 through 2011 may be up to 11% and will equal the average return of the 10 securities. The annual coupon will not exceed 11% and may be zero. There are no management fees for the notes or for the underlying portfolio.

Bank of Montreal Skylon Y.I.E.L.D. Notes are fully eligible for registered plans. Series 2 is available through most financial advisors and is on sale until July 15, 2005. The issue price is \$100 per note, with the minimum investment being \$2,000. The complete terms of the offering are set out in an Information Statement, which can be obtained by investors from their advisors. Information about the notes will also be available at www.skylonadvisors.com.

Communiqué

POUR DIFFUSION IMMÉDIATE

Les Billets Y.I.E.L.D.^{MC} - Banque de Montréal Skylon, série 2, offrent un coupon pouvant atteindre 11 %, lié à un portefeuille de 10 émetteurs canadiens de premier ordre

TORONTO (Le 24 mai 2005) – Skylon Advisors Inc. a annoncé aujourd'hui le lancement des Billets Y.I.E.L.D. - Banque de Montréal Skylon, série 2, qui procurent aux investisseurs la possibilité d'obtenir un rendement annuel pouvant atteindre 11 %, lié à un panier composé de 10 émetteurs canadiens de premier ordre.

« Nous sommes heureux de fournir aux investisseurs une autre occasion de profiter de cette structure unique, qui combine la protection du capital à l'échéance et une exposition à un solide portefeuille de sociétés canadiennes de premier ordre, ainsi que le potentiel d'obtenir un rendement très attrayant », a déclaré David R. McBain, président et chef de la direction de Skylon Advisors.

Le placement d'une durée de 6,5 années comprend le paiement d'un coupon de 4,75 % encaissable à la fin de 2005 (qui représente l'équivalent d'un taux d'intérêt annuel de 11,02 %) et pourrait verser un coupon à taux variable pouvant atteindre jusqu'à 11 % pour chacune des six années suivantes.

L'intérêt variable est lié au rendement d'un panier diversifié composé à pondération égale de titres de 10 émetteurs canadiens, y compris des sociétés réputées telles que la Banque TD, CIBC, TransCanada Corp., Thomson Corp., CI Fund Management Inc. et BCE Inc.

Lorsque le rendement de tout titre sous-jacent du portefeuille dont le cours, à la date d'évaluation de l'émission des Billets, est positif par rapport à son prix d'achat initial, le rendement de ce titre sera réputé être de 11 %. Si le rendement de chacun des titres composant le portefeuille est positif, la valeur du coupon annuel sera de 11 %. Le rendement de tout titre sous-jacent dont le cours, à la date d'évaluation de l'émission des Billets, est négatif ou égal par rapport à son prix d'achat initial sera réputé être son rendement réel.

Le rendement annuel des Billets, de 2006 à 2011, pourra atteindre 11 % et sera égal au rendement moyen des 10 titres. Le taux d'intérêt du coupon annuel ne pourra donc pas être supérieur à 11 %, et il pourrait être nul. Aucun frais de gestion ne s'applique aux Billets ni au portefeuille sous-jacent.

Les Billets Y.I.E.L.D. - Banque de Montréal Skylon sont pleinement admissibles aux régimes enregistrés. La série 2 est disponible par l'entremise de la plupart des conseillers financiers et sera en vente jusqu'au 15 juillet 2005. **CI C.A.P.I.T.A.L. Deposit Notes™ allow investors to combine security
 with a focus on growth or income**

TORONTO (May 26, 2005) – CI Mutual Funds Inc. and Skylon Advisors Inc. today announced that Series 3 of two different classes of the popular Bank of Montreal CI C.A.P.I.T.A.L Deposit Notes™ are now available.

Investors have their choice of combining 100% principal protection at maturity with a focus on growth – through the CI C.A.P.I.T.A.L Deposit Notes™, Callable Class – or income, through the CI C.A.P.I.T.A.L Deposit Notes™, Enhanced Yield Class. The notes are issued by Bank of Montreal.

“With investments of over \$500 million in the first two series, the CI C.A.P.I.T.A.L Deposit Notes have clearly struck a chord with investors. They offer security and exposure to high-quality mutual funds with leading portfolio managers,” said David R. McBain, President and Chief Executive Officer of Skylon Advisors, which developed and is marketing the notes in co-operation with CI.

CI C.A.P.I.T.A.L Deposit Notes, Callable Class, Series 3 provide a total return over a 6.5-year period linked to a portfolio equally divided between CI Canadian Investment Fund and Signature Income & Growth Fund.

CI Canadian Investment Fund was named the 2004 Canadian Equity Fund of the Year and holds the top five-star rating from Morningstar Canada. The fund has not had a losing year in the last 10 calendar years under the tenure of noted Canadian value manager Kim Shannon. Signature Income & Growth Fund is managed by CI’s award-winning Signature Advisors. The fund, under lead portfolio manager Eric Bushell, seeks to produce a monthly income stream by investing in a mixture of securities such as high-yield and investment-grade corporate bonds, government bonds, preferred and common shares and income trusts.

Bank of Montreal can redeem the notes after three years at a price that will give investors the equivalent of an annual compounded rate of return of 10%. If the notes are not redeemed, they will mature on or about January 4, 2012, and investors will be paid their principal and interest, if any, based on the value of the portfolio of CI funds. There are no restrictions on the growth potential such as averaging features or caps on returns.

CI C.A.P.I.T.A.L. Deposit Notes, Enhanced Yield Class, Series 3 will provide a total return over a nine-year period linked to the performance of a portfolio of units of Signature Income & Growth Fund and Signature High Income Fund. Signature High Income Fund, which was named

the 2004 Canadian Income Trust Fund of the Year, invests in a diverse portfolio of high-yielding securities ranging from income trusts to corporate bonds.

The notes use a dynamic, formula-driven leveraging feature that provides for up to 200% exposure to the portfolio. This feature is designed to enhance returns when performance is positive and reduce volatility when performance is lower.

On a monthly basis, Enhanced Yield Class investors will receive the equivalent of 75% of the underlying funds' distributions, if any, including distributions paid on leveraged exposure to the funds. Noteholders will also benefit from constant reinvestment of the remaining 25% of the underlying funds' distributions, including the amounts paid from the leveraged exposure.

In addition, the structure of the Enhanced Yield Class notes ensures that the principal amount protected at maturity is not diminished by the monthly distributions.

CI C.A.P.I.T.A.L Deposit Notes are fully eligible for registered plans. Callable Class, Series 3 is available until June 30, 2005, and the Enhanced Yield Class, Series 3 is available until July 15, 2005. The issue price is \$100 per note, with the minimum investment being \$2,000. The complete terms of each offering are set out in its Information Statement, which can be obtained by investors from their advisor. Information about the notes is also available at www.cifunds.com/capitalnotes.

CI and Skylon are wholly owned subsidiaries of CI Fund Management Inc., (TSX: CIX), an independent, Canadian-owned wealth management company with approximately \$68.3 billion in fee-generating assets as of April 30, 2005. Les Billets de dépôt C.A.P.I.T.A.L.^{MC} permettent aux investisseurs de combiner la sécurité tout en mettant l'accent sur la croissance ou le revenu

TORONTO (Le 26 mai 2005) – CI Mutual Funds Inc. et Skylon Advisors Inc. ont annoncé aujourd'hui que la série 3 de deux différentes catégories des excellents Billets de dépôt C.A.P.I.T.A.L.^{MC}, - Banque de Montréal CI, est maintenant disponible.

Les investisseurs ont le choix de combiner une protection du capital de 100 % à l'échéance tout en mettant l'accent sur la croissance - par l'entremise des Billets de dépôt C.A.P.I.T.A.L. CI, catégorie rachetable – ou sur le revenu - par l'entremise des Billets de dépôt C.A.P.I.T.A.L. CI, catégorie rendement amélioré. Les Billets sont émis par la Banque de Montréal.

« Avec des placements de plus de 500 millions de dollars dans les deux premières séries, les Billets de dépôt C.A.P.I.T.A.L. CI ont clairement impressionné les investisseurs. Ils offrent la sécurité ainsi qu'une exposition à des fonds communs de placement de grande qualité ayant des gestionnaires de portefeuilles de premier ordre », a déclaré David R. McBain, président et chef de la direction de Skylon Advisors, qui a développé et fait la mise en marché des Billets en collaboration avec CI.

Les Billets de dépôt C.A.P.I.T.A.L. CI, catégorie rachetable, série 3, procurent un rendement global sur une période de 6,5 ans, lié à un portefeuille également pondéré entre le Fonds de placements canadiens CI et le Fonds de revenu et de croissance Signature.

Le Fonds de placements canadiens CI a été nommé le Fonds d'actions canadiennes de l'année 2004 et est coté cinq étoiles par Morningstar Canada. Sous la direction de Kim Shannon, gestionnaire renommée de titres canadiens de valeur, le Fonds n'a connu aucune année de perte au cours des 10 dernières années civiles. Le Fonds de revenu et de croissance Signature est géré par Signature Advisors de CI, lauréat de nombreux prix. Le Fonds, sous la direction du gestionnaire principal Eric Bushell, cherche à produire un flux de revenu mensuel en investissant dans une composition de titres tels que des obligations à cote supérieure et des obligations de sociétés à rendement élevé, des obligations du gouvernement, des actions privilégiées et ordinaires et des fiducies de revenu.

La Banque de Montréal peut racheter les Billets après trois ans à un prix qui permettra aux investisseurs de recevoir l'équivalent d'un taux annuel composé de 10 %. Si les

Billets ne sont pas rachetés, l'échéance se situera vers le 4 janvier 2012 et les investisseurs recevront leur capital investi avec intérêts, le cas échéant, basé sur le rendement du portefeuille de fonds CI. Il n'existe aucune restriction par rapport au potentiel de croissance telle que l'égalisation des rendements vers une moyenne ou le plafonnement des rendements.

Les Billets de dépôt C.A.P.I.T.A.L. CI, catégorie rendement amélioré, série 3, procureront un rendement global sur neuf ans lié au rendement d'un portefeuille composé de parts du Fonds de revenu et de croissance Signature et du Fonds de revenu élevé Signature. Le Fonds de revenu élevé Signature, qui a été nommé le Fonds canadien de fiducie de revenu de l'année 2004, investit dans un portefeuille diversifié de titres à rendement élevé qui se classent des fiducies de revenu aux obligations de sociétés.

Les Billets utilisent une stratégie de levier dynamique qui fournit une exposition au portefeuille pouvant atteindre 200 %. Cette caractéristique est conçue pour améliorer les rendements lorsque les cours sont à la hausse et réduire la volatilité lorsque les cours sont à la baisse.

Sur une base mensuelle, les investisseurs de la catégorie rendement amélioré recevront l'équivalent de 75 % des distributions des fonds sous-jacents, le cas échéant, y compris les distributions versées sur l'exposition à l'effet de levier des fonds. Les porteurs de Billets profiteront également d'un réinvestissement continual du 25 % des distributions restant des fonds sous-jacents, y compris les montants versés sur l'exposition à l'effet de levier des fonds.

En outre, la structure des Billets catégorie rendement amélioré assure que le montant du capital protégé à l'échéance n'est pas réduit par les distributions mensuelles.

Les Billets de dépôt C.A.P.I.T.A.L. CI sont pleinement admissibles aux placements enregistrés. La catégorie rachetable, série 3, est disponible jusqu'au 30 juin 2005, et la catégorie rendement amélioré, série 3, est disponible jusqu'au 15 juillet 2005. Le prix d'émission est de 100 \$ par Billet et le placement minimum s'élève à 2 000 \$. L'intégralité des modalités de chaque offre se trouve dans son document d'information, que les investisseurs peuvent se procurer auprès de leur conseiller. Des renseignements au sujet des Billets se trouvent également sur le site www.cifunds.com/capitalnotes.

CI Funds announces plans to streamline and reorganize its fund lineup

TORONTO (May 30, 2005) – CI Mutual Funds (“CI”) today announced plans to reorganize its lineup, including a proposal to merge 16 mutual funds, changes of underlying mutual funds for 16 segregated funds, name changes for a number of mutual and segregated funds, and a change of portfolio management for one mutual fund.

“These plans are consistent with CI’s ongoing commitment to providing an industry-leading selection of high-quality funds operating as efficiently as possible,” said Peter W. Anderson, CI President and Chief Executive Officer.

“With these moves, we are streamlining our lineup while completing the integration of the Clarica-branded mutual funds into the CI lineup. Altogether, we will be offering Canadian investors a clearer, stronger set of investment options.”

CI is proposing to merge 16 mutual funds into other CI funds, as follows:

BPI International Equity RSP Fund	CI International RSP Fund	W. Sterling, R. Beckwitt, G. Gigliotti, Trilogy Advisors, LLC
BPI International Equity Corporate Class	CI International Corporate Class	W. Sterling, R. Beckwitt, G. Gigliotti, Trilogy Advisors, LLC

* To be renamed CI Canadian Small/Mid Cap Fund on or about June 21, 2005.

** Sionna replaces UBS Global Asset Management (Canada) Co. as portfolio advisor to Clarica Canadian Small/Mid Cap Fund on June 12, 2005.

Under the proposal, all of the funds being merged (the “terminating funds”) have similar investment objectives and strategies to the funds into which they are being merged (the “continuing funds”). In addition, each terminating fund has the same portfolio advisor as its continuing fund, with one exception. Currently, UBS Global Asset Management (Canada) Co. is the portfolio advisor to Clarica Canadian Small/Mid Cap Fund, a continuing fund, and Sionna Investment Managers Inc. is the portfolio advisor to CI Canadian Small Cap Fund, its terminating fund. CI has appointed Sionna to replace UBS as portfolio advisor to Clarica Canadian Small/Mid Cap Fund on June 12, 2005, with Kim Shannon and Teresa Lee as lead portfolio managers. As a result, prior to the proposed merger, Sionna will be the portfolio advisor to both Clarica Canadian Small/Mid Cap Fund and CI Canadian Small Cap Fund.

CI has also structured the mutual fund mergers to ensure that the management fee of each continuing fund is the same as or lower than its terminating fund.

Special meetings of the terminating funds will be held in Toronto on or about July 28, 2005, at which investors in the terminating funds will vote on the proposed mergers. If the mergers are approved at the special meetings, they will take effect on or about August 2, 2005.

CI also plans to rename the remaining three Clarica-branded mutual funds as CI funds: Clarica Premier Mortgage Fund will be renamed CI Mortgage Fund, Clarica Alpine Growth Equity Fund will be renamed CI Alpine Growth Equity Fund and Clarica Canadian Small/Mid Cap Fund will be renamed CI Canadian Small/Mid Cap Fund. As part of the rebranding, these three funds will become available for purchase through all advisors, on or about June 21, 2005. Previously, Clarica-branded funds were offered only through Clarica advisors. As a result of the mergers outlined above and the three name changes, CI will no longer use the Clarica brand name on any of its mutual funds. It has been CI's intention to gradually phase out the use of the Clarica brand on its mutual funds since it purchased Clarica Diversico Ltd. in 2002.

The mutual fund mergers will result in changes to the underlying funds of 11 Clarica Portfolio Segregated Funds, one CI Guaranteed Investment Fund (BPI International Equity Guaranteed Investment Fund) and one BPI Legacy Fund (BPI International Equity Segregated Fund). The names of the segregated funds also will be changed following the mergers to reflect the new underlying funds. Details of these changes will be posted to the CI website at www.cifunds.com.

There will also be a change in the underlying funds for three Clarica Portfolio segregated funds from Fidelity mutual funds to substantially similar CI mutual funds, followed by name changes, as set out in the table below. The change of underlying funds will result in lower management fees for these three Clarica Portfolio segregated funds. The Clarica Portfolio policies continue to

* Sera renommé Fonds canadien petite/moyenne capitalisation CI vers le 21 juin 2005.

** Sionna remplacera UBS Global Asset Management (Canada) Co. à titre de conseiller de portefeuille du Fonds canadien petite/moyenne capitalisation Clarica le 12 juin 2005.

Selon la proposition, tous les fonds fusionnés (les « fonds clôturés ») ont des objectifs et des stratégies de placement similaires aux fonds avec lesquels ils sont fusionnés (les « fonds prorogés »). En outre, à l'exception d'un seul fonds, tous les fonds faisant l'objet d'une fusion sont déjà confiés aux mêmes gestionnaires de portefeuilles. Actuellement, UBS Global Asset Management (Canada) Co. est le conseiller de portefeuille du Fonds canadien petite/moyenne capitalisation Clarica, un fonds prorogé, et Sionna Investment Managers Inc. est le conseiller de portefeuille du Fonds de petites sociétés canadiennes CI, le fonds clôturé. CI a nommé Sionna pour remplacer UBS à titre de conseiller de portefeuille du Fonds canadien petite/moyenne capitalisation Clarica à compter du 12 juin 2005, avec Kim Shannon et Teresa Lee à titre de gestionnaires de portefeuilles principales. Par conséquent, avant la fusion proposée, Sionna sera le conseiller de portefeuille des deux fonds (Fonds canadien petite/moyenne capitalisation Clarica et Fonds de petites sociétés canadiennes CI).

CI a également structuré les fusions de fonds communs de placement de manière à s'assurer que les frais de gestion de tous les fonds prorogés sont les mêmes ou sont plus bas que ceux de leurs fonds clôturés respectifs.

Des réunions spéciales sur les fonds clôturés se tiendront à Toronto vers le 28 juillet 2005, et les investisseurs des fonds clôturés voteront sur les propositions de fusions. Si elles sont approuvées lors des réunions spéciales, les fusions entreront en vigueur vers le 2 août 2005.

CI planifie également de renommer les trois autres fonds communs de placement portant la marque Clarica comme fonds CI : le Fonds supérieur de placements hypothécaires Clarica sera renommé le Fonds de placements hypothécaires CI, le Fonds d'actions de croissance Alpin Clarica sera renommé le Fonds d'actions de croissance Alpin CI et le Fonds canadien petite/moyenne capitalisation Clarica sera renommé le Fonds canadien petite/moyenne capitalisation CI. Avec ces « redesignations », ces trois fonds seront disponibles à l'achat par l'entremise de tous les conseillers vers le 21 juin 2005. Auparavant, les Fonds portant la marque de Clarica n'étaient offerts que par l'entremise des conseillers de Clarica. Suite aux fusions décrites ci-dessus et aux trois changements de noms, CI n'utilisera plus la marque Clarica dans ses fonds communs de placements. Depuis l'achat de Clarica Diversico Ltd. en 2002, CI avait l'intention de supprimer graduellement l'utilisation de la marque Clarica dans ses fonds communs de placement.

Les fusions de fonds communs de placement résulteront en un changement dans les fonds sous-jacents de 11 Portefeuilles Fonds distincts Clarica, d'un Fonds de placement garanti CI (Fonds de placement garanti d'actions internationales BPI) et d'un Fonds Héritage BPI (Fonds distinct d'actions internationales BPI). Afin de refléter les nouveaux fonds sous-jacents, les noms des fonds distincts changeront également à la suite des fusions. Les détails de ces changements seront affichés sur le site de CI au www.fondsci.com.

Il y aura également un changement dans les fonds sous-jacents de trois Portefeuilles Fonds distincts Clarica où les fonds communs de placement sous-jacents de Fidelity seront remplacés par des fonds communs de placement CI essentiellement semblables, suivi de changements de noms, tel qu'indiqué dans le tableau ci-dessous. Le changement apporté au sein des fonds sous-jacents aura pour résultat de réduire les frais de gestion associés à ces trois Portefeuilles de Fonds distincts Clarica. Votre police de Portefeuille Clarica continue à être émise par et souscrite auprès de la Sun Life du Canada, compagnie d'assurance-vie. Ces changements entreront en vigueur vers le 2 août 2005 :

Nom des fonds actuel	Nouvelle désignation	Nouveau fonds sous-jacent	Gestionnaires de portefeuille du nouveau fonds sous-jacent
